WORK EXPERIENCE

University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Teaching assistant

Oct 2016 – Nov 2016

- Introduction to PHP/MySQL - 5 classes of HTML/PHP/MySQL basics

Team projects

- managed a team of 3 students in *Project* class
 - created a working website prototype of an Intelligent tutoring system using PHP, MySQL with about 100 available questions regarding discrete math
- contributed as a member in various classes, among others:
 - database developer for restaurant Android app in project of 7 students
 - team project for managing a university (faculties, courses, employees, etc.) requiring database design + Windows Forms + ASP.NET MVC front-ends

EDUCATION

University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Pursuing MSc in Computer Science

Sep 2016 – Jul 2018
(expected)

- **field of study:** data analysis
- **relevant courses:** *Machine Learning, Advanced Databases*

BSc in Computing

Sep 2013 – Jul 2016

- **thesis:** *Application logic and data layer development for an e-learning system*
 - written in C# using Entity Framework and mXparser, console front-end
 - database design and implementation with 50+ parametrized questions
 - representation of knowledge, intelligent tutoring, auto-generating exams
- **relevant courses:** *Databases, Object-oriented Programming, Design Patterns, Artificial Intelligence, Development of Software Applications*

TECHNICAL SKILLS

Intermediate

- **Java** – a lot of experience with regular console apps; some with swing, Android, JSP
- **C#** – LINQ, Entity Framework, Windows Forms, basics of ASP.NET
- **SQL** – interested in databases; experience in various uni. courses & projects
- **R** – completed optional course which includes:
R Markdown; packages: dplyr, tidyr, ggplot2, etc; elements of statistics and ML
- **Python** – used in AI/ML university courses – NumPy, SciPy, matplotlib, pandas
- **OOP and design patterns** – completed 2 related classes, regular use for lab. exercises
- **Intelligent tutoring systems and e-learning** – BSc *Project* class and thesis

Basic

- **PHP, Android, MongoDB, PostgreSQL, GIT, C, TeX**

OTHER SKILLS AND INTERESTS

Languages	Croatian (native), English (fluent), German (intermediate)
Personality	calm, team player, precise, realistic
Hobbies	General Secretary for FC Bayern Fan Club Croatia (<i>KNBM Bayern Hrvatska</i>)
Interests	sports & advanced sports statistics, history, politics, finance, gaming
